REMARKS:

The yarn is shipped ready for knitting. Yarn knitted within 9 months from the packaging date written in the stitch inside the cone should not be re-winded, since a not appropriate winding could jeopardize the yarn quality

FINISHING:

Press panels with steam before treatment. Dry clean or gentle wash in cold water

Tumble dry at low temperature. Iron

It is necessary to make specific trials in your own knits before starting production, since the final result will depend on your own equipment and the tension and stitch you choose

Specific finishing instructions are available on request

Solid colours: for striped/intarsia knits please ask for special color fastness

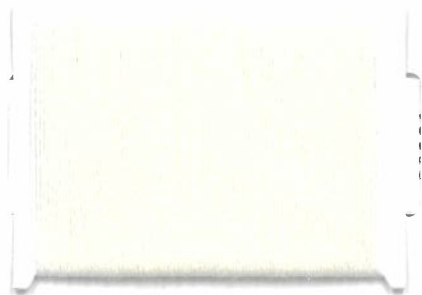

CARE INSTRUCTIONS:

This yarn complies the REACH and GB18401 regulation quality standards
